## 1.0 ADMISSION

1.1 The School Standards and Framework Act 1998 assigns functions to Admission Authorities, Appeal Panels and Admission Forum in relation to the admission of pupils to school.

1.2 Carmarthenshire LA, and not the school, is the Admission Authority for all maintained and Voluntary Controlled schools in Carmarthenshire. For Voluntary Aided schools the Governing Body acts as an admission authority.

1.3 Each of these bodies has a statutory duty to “act” in accordance with the School Admissions Code and the Schools Admission Appeals Code.

1.4 In accordance with the Admission Code the Authority is seeking to obtain the view of the Governing Body in relation to the Authority’s Admission policy and arrangements.

## 2.0 ADMISSION AUTHORITIES

### 2.1 Admission Authorities

The admission of children to schools is controlled by an Admissions Authority.

#### **(a) For Community and Voluntary Controlled Schools in Carmarthenshire**

In the case of community schools (formerly known as county schools) and Voluntary Controlled schools within Carmarthenshire, the Admission Authority is Carmarthenshire Local Authority (LA). The contact details for Carmarthenshire LA are as follows:-

Admissions Team,  
Carmarthenshire Council Council,  
Department for Education and Children,  
Building 2,  
St David’s Park,  
Job’s Well Road,  
Carmarthen. SA31 3HB.  
Telephone No: 01267 246449  
Fax No: 01267 246003  
E-mail: [admissions@carmarthenshire.gov.uk](mailto:admissions@carmarthenshire.gov.uk)

#### **(b) For Schools In Neighbouring Authorities**

Given its geographical location Carmarthenshire shares its borders with other Local Authorities.

Should the school you wish your child to attend be in another local authority area then you should contact that Authority.

#### **(c) For Voluntary Aided Schools In Carmarthenshire**

For Voluntary Aided Church in Wales schools and the Voluntary Aided Roman Catholic Schools the Admission Authority is the School Governing Body.

## 2.2 CHOOSING A SCHOOL

### (a) Local / Catchment Area School

The Council recognises that there is an important relationship between a school and its community. The Council has therefore identified a designated geographical area which the school serves and is referred to as the school's catchment area.

Details of a school's catchment area are available at the school, the County Council's website [www.carmarthenshire.gov.wales/schooladmissions](http://www.carmarthenshire.gov.wales/schooladmissions) or are available from the relevant Admissions Authority.

Whilst living in a school's catchment area does not guarantee admission to the school it is an important factor as it will give the application a higher priority than those from individuals who live outside the catchment area.

Residency within the defined catchment area of a school is also important as it is one of the key criteria in assessing eligibility for assistance with home to school transport. Details of the home to school transport policy are available [www.carmarthenshire.gov.wales/schooltransport](http://www.carmarthenshire.gov.wales/schooltransport).

Prior to making an application for admission to a school the Council strongly recommends that you contact, discuss and if possible visit your local school so that you are aware of the facilities and opportunities they are able to offer.

### (b) Parental Preference

As indicated, the Council advises that the first point of contact in making a choice of school would be the local designated catchment area school.

Whilst, in practice, most parents send their child to their local catchment area school, parents have a right to state a preference for different schools. If you wish to do so it is recommended that you contact the school you are considering before making a final choice.

Where you choose a school which is not your designated catchment area school or the nearest school to your home there are some practical issues which you need to consider fully prior to making a decision.

The first is that if a child does not attend the catchment area school or the nearest school to the home address and this decision is based on parental preference, then the responsibility, as well as the cost, of transporting the pupil to and from school, rests entirely with the parents/carer.

Parents indicate that this can be a particular problem if they then subsequently have a younger sibling who is not admitted to the same primary school.

It is prudent, therefore, to consider and plan for this possibility prior to making an application for admission to an out-of-catchment school.

The second issue relates to the stage at which pupils move from the primary school to the secondary sector. **Admission to secondary schools is based on whether or not your home address is in the secondary school's catchment area and not the**

**primary school attended.** Where therefore a pupil has attended a primary school which is not their designated catchment area school there is an increased probability that they may not be able to transfer to the same secondary school as their peers and fellow pupils.

These issues will not apply in many instances but as they have caused difficulties for parents in the past it is recommended that you consider and have planned for such eventualities before making your final choice.

The Council and school governors will lawfully comply with any preference for a particular school which is expressed. As with all applications a preference for a particular school will need to be considered and assessed as part of the admission process to ensure that the Authority does not exceed the limit for admission of pupils to that school for the relevant year group.

The term used in this document when referring to the number which limits the number of pupils who can be admitted to a particular year group in a school is the admission number or AN. The Admission Number (AN) for each school is provided in the schedule of schools which is attached.

### **(c) Parental Preference - Twice Excluded Pupils**

If a pupil has already been permanently excluded from two or more schools then, whilst a parent may express a preference for a school at which they wish their child to be educated, the Admission Authority does not have to comply with that preference for a period of two years from the date of the latest exclusion.

This does not apply to students with statements of Special Educational Needs (SEN), children below compulsory school age, children who have been re-instated, or who would have been re-instated had it been practical to so, or looked-after children where the application for admission is made by the corporate parent.

### **(d) Meeting Additional / Special Educational Needs**

Some children have additional or special educational needs and or a disability that require extra provision to be made for them to be able to learn effectively. For more information contact the Additional Learning Needs Manager (01267 246451).

## **2.3 THE SCHOOL'S ADMISSION NUMBER – A LIMIT ON THE NUMBER OF PUPILS ADMITTED**

Every school has an Admission Number (AN) which specifies and limits the number of pupils who can be admitted to each year group in the school. The AN for each school is given in the schedule of schools attached.

The AN for each school has been set by using the capacity formula determined by the Welsh Government. The calculation is based on national guidelines (Measuring the Capacity of Schools In Wales Circular 021/2011) and relates to the physical area of the school buildings, the type of facilities at the school, the age range and number of year groups in the school.

As the AN is based on the school's capacity to provide appropriate accommodation and facilities for pupils it should not be exceeded.

The AN applies to the age group into which the pupils are admitted into the school and places a limit on the number of pupils that can be admitted. In the normal year of entry the Admissions Authority must admit pupils until the AN is reached. Should the number of applications received for admission to a school exceed the AN then the Authority will prioritise the applications it has received in accordance with the over subscription criteria detailed in this document.

**In such circumstances parents may not therefore be successful in gaining a place for their child at their preferred school.**

School governors and the LA must always keep the AN under review.

## **2.4 CLASSIFICATION OF SCHOOLS**

All Carmarthenshire schools are classified as co-educational schools in that they cater for boys and girls and unless noted otherwise are day schools and not residential schools.

Secondary Schools are, unless noted otherwise, classified as comprehensive schools.

## **2.5 OTHER YEAR GROUPS**

Applications for admissions for pupils into year groups other than the usual year group, based on the date of birth of a pupil, will be considered on an individual basis and where applicable against the admissions over subscription criteria outlined in this booklet.

## **2.6 HOME EDUCATION**

Parents may also choose to educate their own children at home. This is known as Elective Home Education. The decision to home educate requires careful thought, as it represents a considerable undertaking in terms of commitment, time and cost.

If you are considering this option, then you are advised to contact the local authority, and seek guidance from the Elective Home Education Officer on 01267 246727

## **2.7 AT WHAT AGE CAN CHILDREN START SCHOOL?**

### **Early Years–3 Year Olds Provision**

Early Years education is a non-statutory provision available to 3 year olds and an application for admission to provision within a school, i.e. for categories (i) and (ii) below, will have to be made to the Admissions Authority by **the 31<sup>st</sup> January, 2018, if the pupil is due to start nursery age provision in a school in January, April or September 2019.**

There are various forms of provision:-

- (i) Nursery School - Ammanford Nursery School is the only nursery school in the County.
- (ii) Nursery/Early Years classes in Infant or Primary Schools.
- (iii) Provision by the non-maintained sector who are partners in the Early Entitlement Group, such as Wales Pre-school Playgroup Association (WPPA) and Mudiad Ysgolion Meithrin (MYM) and private providers. The Carmarthenshire Family Information Service can assist you in this process [www.fis.carmarthenshire.gov.uk](http://www.fis.carmarthenshire.gov.uk).

All 3 year olds are entitled to 10 hours per week free placement, at a registered setting, through the Early Entitlement Group from the term following their third birthday.

**Children will normally be admitted to Early Years provision on a part-time basis at the beginning of the term following their third birthday as indicated below:-**

- in January for those who have their 3rd birthday between 1st September and 31st December;
- in April for those who have their 3rd birthday between 1st January and 31st March;
- in September for those who have their 3rd birthday between 1st April and 31st August.

Parents **do not** have a right of appeal if a place is not secured at an early years setting of their choice. Pupils who are admitted to early years or nursery age provision within a school do not have an 'automatic' right to continue education within the reception class at that school.

**A formal application must be made to the Council for part-time Nursery/full time 4 year old admission at a school.**

**Applications for admission should be submitted to the Council by the 31<sup>st</sup> January, 2018, if your child is to start school on a part-time basis in January, April or September, 2019.**

Should there be more applications than places available then the Authority will prioritise applications in accordance with its over-subscription criteria detailed in this document.

Wherever practical the Admissions Authority allows non-maintained providers to use school premises and a number avail themselves of such a facility.

### **Reception Class Age Children – 4 & 5 Year Olds**

Where there is no early years provision in a maintained setting children are, following approval of application by the Authority, admitted on a full-time basis at the following times:-

- in September for those who have their 4th birthday between 1st September and 31st December;
- in January for those who have their 4th birthday between 1st January and 31st March;
- in April for those who have their 4th birthday between 1st April and 31st August.

By law parents must arrange for their children to receive full-time education at the beginning of the following terms:-

- the Autumn Term for those who are 5 years old between 1st April and 31st August;
- the Spring Term for those who are 5 years old between 1st September and 31st December; and
- the Summer Term for those who are 5 years old between 1st January and 31st March.

Legislation does not require a child to start school until the term following the child's fifth birthday.

A parent may defer the admission of a child to school until the beginning of the term following the child's fifth birthday as long as that date is in the same school year.

In accordance with the School Standards and Framework Act 1998 a limit of 30 pupils is placed on Reception, Year 1 and Year 2 classes.

**Applications for admission should be submitted to the Council by the 31st January, 2018, if a pupil is due to start school in September 2018, January or April, 2019.**

Should there be more applications than places available then the Authority will prioritise applications in accordance with its over-subscription criteria detailed in this document.

## **2.8 APPLICATION PROCESS**

### **Requirement to Make an Application**

It is a requirement that a parent/carer must submit an online application for a pupil to be admitted to a school to the Council or in the case of Voluntary Aided Schools applications should be made to the Governing Body via the school.

The online application form will ask a parent/carer to rank the school choice by 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup>.

You will be notified via e-mail by the Admissions Authority as to whether or not the application has been successful. This includes applications made on behalf of a looked-after child by a corporate parent where the Council is both the corporate parent and the Admissions Authority.

**No Community or Voluntary Controlled primary school can authorise the admission of a pupil.**

### **How to Apply**

Once the parent/carer has decided upon the school they wish their child/children to attend they should submit the application to the appropriate Admissions Authority.

**For Community and Voluntary Controlled schools this can be done:-**

- Directly on line using the Local Authority's website at [www.carmarthenshire.gov.wales/schooladmission](http://www.carmarthenshire.gov.wales/schooladmission)

### **For Voluntary Aided Schools**

- Apply Direct to the School
- Online application via Carmarthenshire County Council Website

It is recommended that before submitting an application parents contact the preferred school direct. The school will have a map of its catchment area and can assist parents by providing other information about the school and the admission procedure.

### **When To Apply – The Admission Application Round Closing Date**

The following closing dates for applications will apply:-

**Closing Date: 31st January, 2018 for Nursery Age Pupils starting in January, April or September 2019.**

**Closing Date: 31st January, 2018 for four year old pupils starting in September 2018, January or April, 2019.**

**Closing Date: 22nd December, 2017 for pupils starting Secondary School in September 2018.**

**Applying after the deadline dates will mean that the application loses its priority for a place at the school of your choice**

It is our intention to issue decision letters in respect of **Secondary School** applications on the **1st March, 2018** and for **Primary School** admissions on the **17th April, 2018**

### **Completing the Application Form**

#### **Home Address**

A pupils home address is considered to be a residential property that is the child's only or main residency, a dwelling or residential building not including any land attached to it. The catchment area is based on the location of the house in which the pupil lives and not any land surrounding that house, and is either:-

- Owned by the child's parent(s) or the person with a defined legal parental responsibility for the child; or
- Is leased to or rented by the child's parent(s) or the person with parental responsibility under a written rental agreement, signed by the landlord and tenant, of not less than six months duration.

#### **Proof of Address**

The Authority will validate proof of address through the Authority's Council Tax System before an offer is made for any oversubscribed school.

The Authority will also continue to reserve the right to request proof of address at the time an offer of a place is made, if deemed necessary.

In order for the application to be considered as part of the normal admissions round then you will need to provide proof that you are residing at the address stated on the application form by the date given for the receipt of applications.

The Authority will consider any two of the following documents as being of assistance to determine residency at a particular address:-

- (a) An original Council Tax or Housing Benefit bill or notification letter being not more than 12 months old;
- (b) An original utility bill (not more than 3 months old);
- (c) An original award letter of Child Benefit or Child Tax Credit or Working Tax Credit award letter (not less than three months old and stating the name of the child/children);
- (d) A signed and dated tenancy/lease agreement of at least six months duration but with not less than one month duration remaining;
- (e) Original credit card or bank statement showing the address (not more than one month old);
- (f) Written confirmation from the applicants Bank or Building Society confirming details of the change of address and also the date the change was effective from;
- (g) Valid current photo ID driving licence.

As part of the admission process you are required to provide proof of your address in connection with your application. The Authority will seek to verify the information provided and reserves the right to require the applicant to provide any additional information it deems necessary to confirm residency or to take reasonable action to determine whether or not an application is fraudulent.

If a school place is offered on the basis of an address that is subsequently found to be different from a child's normal and permanent address, then the place is liable to be withdrawn.

If a school place is offered and a parent or person with a legal parental responsibility for a child, knowingly and willingly provides a false statement, which would affect the success of their application, they may have the place withdrawn.

If no proof of residency is provided then the Authority will be unable to process the application and the place may be awarded to another pupil.

### **Moving Residency/ Change of Address**

If you intend to change residency and are applying for admission to a school based on the new address then the Council will take steps to verify the arrangements. The Council will also accept either a solicitors letter stating that contracts have been exchanged and specifying a completion date or a signed and dated tenancy agreement as indicated in (d) above. If you cannot provide proof of address by the date given for receipt of applications then your application will be based on your current address.

### **Parental Shared Responsibility**

Where parental responsibility is stated then you must have consulted with and received the approval of all parties before applying.

Parents who select 2 or 3 schools will have to rank them in order of preference (i.e. 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> choice).

Initially all applications will be considered equally, but if a place in the 1<sup>st</sup> (or only) choice schools is to be offered, places will not be offered in either the 2<sup>nd</sup> or 3<sup>rd</sup> choice schools.

Where there is shared responsibility for a child, and the child lives with both parents, or persons with a legal parental responsibility for the child, for part of the week, then the main residence will be determined as the address where the child lives for the majority of the school week.

### **Early Applications**

Please note that early application cannot be used as a criterion for giving priority in allocating places.

### **Late Applications**

Applications received after the admissions round deadline date will not be considered until those received before the deadline have been awarded.

### **Split Site**

When an application is made for admission to a school which operates on more than one site, the Authority will approve admission to the school and not to a particular site. The site the children will attend is a matter for the school to decide.

### **Waiting List**

Where it has not been possible to admit a pupil to a school due to over subscription, then the Authority will provide an option for the application to be retained on file until the **30th September, 2018** creating a “waiting list”.

Should vacancies become available then they will be awarded in accordance with the over-subscription criteria outlined rather than the amount of time the application has been held on the waiting list.

**The waiting list will cease to exist on 30<sup>th</sup> September, 2018 and it should be noted that a new application will need to be submitted from 1<sup>st</sup> October, 2018 should you still wish your child to be considered for a place at the school.**

### **Notification of Offer of a Place at a School**

Parents will be advised by letter or e-mail confirming, or otherwise, that a place is available at the school and offering them the opportunity of accepting the place.

All offers via email will require parents to confirm by clicking the “accept” or “decline” button on the offer email. An acceptance form will only be sent out with an “offer letter” and **must** be completed and returned to the Council.

If you **do not respond to the offer email or return the form then the place may be lost and the place offered to another pupil.**

Where an application has been made for admission to two or more schools and an offer has been accepted of a place at one of the schools then the Authority will, unless notified to the contrary, deem the application for a place at the other school(s) to have been declined and therefore will be offered to another applicant.

It is our intention to issue decision letters in respect of **Secondary School** applications on the **1<sup>st</sup> March, 2018** and the **17th April, 2018** for **Primary School** applications.

### **Withdrawing the Offer of a Place**

The offer of a school place will be withdrawn on the basis:

- (i) that it is subsequently discovered that a fraudulent or intentionally misleading application was made (e.g. falsely claiming to reside within a catchment area of a school); or
- (ii) that the acceptance form sent out with the offer letter is not returned to the Admissions Authority by the date stated on the letter. The Council may then withdraw the offer and the place may be given to another child.

### **Admission to Schools at other times of the year**

Parents/carers who wish to apply for a place for their child at a school during the academic year will still need to complete and submit an application form to the Admissions Authority.

Requests will be considered as and when they arise in accordance with the admission procedures and policies outlined in this document including the over-subscription criteria if the admission number has been exceeded.

### **Gypsy and Traveller Children**

The Council is obliged, by statute, to ensure that all children of compulsory school age receive education that is appropriate to their age, abilities and any special educational needs, and promotes high standards in the provision of education and the welfare of children. These obligations apply to all children whether or not they are permanent residents in the area. Admission applications made in respect of gypsy and traveller families will be dealt with, with a view to placing these children as quickly as possible at the nearest available and appropriate school

## **2.9 ADMISSION TO SECONDARY SCHOOLS INCLUDING SIXTH FORM**

Primary school children are required to start at a secondary school in the September following their 11th birthday.

As part of the application process, parents of children in their last year in primary schools will receive an information pack from the Council.

It is important that you submit an online application by the **closing date i.e. 22<sup>nd</sup> December, 2017** as those applications will be considered first for any places available.

Any applications received after the **closing date** will not be considered until those received before the deadline date have been allocated places.

Whilst it does not guarantee a place at a school the admission criteria gives a higher priority to pupils who reside within the designated catchment area of a secondary school. **The primary school which the pupil is attending is not therefore a factor which is taken into account.**

Should you wish to apply for a place at a school which is not one of the designated catchment area schools for your home address, please follow the guidance provided, and read the section in the Information for Parents booklet relating to parental preference and school transport to ensure you understand your obligations in such circumstances.

### **Summary Points - For Community and Voluntary Controlled Secondary Schools**

- There is no automatic transfer from a primary to secondary school.
- By law you must make an application to the Council for a place.
- **Deadline for submitting an application is the 22<sup>nd</sup> December 2017.**
- The primary school a pupil attends is not taken into account. It is the home address which is taken into account when considering admission to a school.
- It is not possible for any person or organization to guarantee, in advance, a place for a child at a school. Any such comments or assurances must be disregarded.
- You will receive an offer email from the Council advising you if your application has been successful or refused.
- A child can not start at a school until the parent/guardian has confirmed the place with the Council.

**Applications must be submitted by the 22<sup>nd</sup> December, 2017. If the application is not received by the deadline date then the chances of getting a place at the preferred school is diminished as is the possibility of free transport to school.**

It is our intention to issue decision letters via email in respect of these applications by **1<sup>st</sup> March, 2018.**

Parents of children who wish their child to be admitted to a secondary school at a time other than the usual primary to secondary year 7 admission should, in the first instance, contact and discuss the matter with the Headteacher of the school who will also be able to give advice in relation to applying for admission. Alternatively, advice may be sought from the Admissions Team at the Department for Education and Children.

### **Sixth Form Admission**

Arrangements for admission to Sixth Form Community Schools should be discussed with the individual school prior to submitting an application for admission.

## **2.10 CHANGING SCHOOLS**

Changing schools requires serious consideration and should be fully discussed with the Headteacher of your child's present school in the first instance. The Department for Education and Children will also provide advice if required.

Should you then wish to transfer your child from one school to another you must apply through completing the school admission application form which is available on the County Council website [www.carmarthenshire.gov.wales/schooladmissions](http://www.carmarthenshire.gov.wales/schooladmissions).

The application will be assessed in accordance with the admission procedure and criteria outlined in this document.

## **2.11 CONSIDERATION OF SECONDARY SCHOOL ADMISSIONS**

In respect of the process for admissions to secondary schools then it should be noted that the following sections as detailed in 2.8 above will also apply:-

- Home Address
- Proof of Address
- Moving Residency/Change of Address
- Shared Responsibility
- Early Application
- Late Applications
- Waiting Lists
- Withdrawing Offer of a Place
- Gypsy and Traveller Children

## **3. OVER SUBSCRIPTION CRITERIA FOR ADMISSION TO COMMUNITY AND VOLUNTARY CONTROLLED NURSERY, PRIMARY AND SECONDARY SCHOOLS**

If there are more applications for admission than places available at a particular school, the allocation of places will be based on the following criteria listed in priority order:

1. Looked-After and previously looked after Children.
2. Children who live in the school's catchment area and have a sibling on the roll of the school at the time the child is admitted to that school.
3. Children who live in the school's catchment area and who do not have a sibling on the roll of the school at the time the child is admitted to that school.
4. Children who reside outside of the school's catchment area and have a sibling on the roll of the school at the time the child is admitted to that school.

5. Children who reside outside of the school's designated catchment area and who do not have a sibling on the roll of the school at the time the child is admitted to that school.

N.B. Where there is a Statement of Educational Needs naming a particular school then this must be stated clearly on the admission to school application form. Such applications are dealt with before the award of any places by the Council through the application of the oversubscription criteria stated above.

## **NOTES**

Within each of the above categories:

### **(a) Distance Criteria**

The distance from home to the school will be used as a criterion for determining priority, with those living nearest the school being given priority and a place at the school before those living further away. The distance will be measured on the same basis and using the same criteria as is used for assessing eligibility for free school transport i.e. Google Maps.

The distance from the home address to school will be measured from the nearest available route from the nearest school entrance to the nearest available access point by highway or footpath to the home address.

Distance will be as determined by Google Earth - walking distance.

### **(b) Siblings**

Children will be classified as siblings if they are:-

- step half or full brother or sister;
- adoptive/fostered brother or sister living at the same address

### **(c) Multiple Birth Children**

In any circumstances in which there is one place available and the next eligible children are twins/triplets then the LA will admit both/all children.

### **(d) Children of UK Service Personnel**

Children of UK Service personnel will be treated as in catchment if their application forms are accompanied by an official Ministry of Defence (MOD) letter declaring a definite return date and confirmation of the new address within catchment.

## **4. APPEALS REGARDING ADMISSION OF PUPILS TO COMMUNITY / VOLUNTARY CONTROLLED PRIMARY OR SECONDARY SCHOOLS**

Should parents be unsuccessful in obtaining a place for their child at their preferred school, they will be notified in writing of the reason(s) why a place has not been secured and also of their right to appeal against that decision and the process for doing so.

For Community Schools and Voluntary Controlled Schools the LA will make arrangements for an Independent Appeals Panel to consider appeals. The appeals procedure will be undertaken in accordance with Welsh Government's School Admission Appeals Code.

There is no right of appeal in the case of refusal of admission to Early Years provision.

Appeals will be heard in private, except when the body or bodies responsible for making appeal arrangements direct otherwise but parents will be afforded an opportunity of presenting their case either directly or with the assistance of their chosen representative. The Clerk will notify all parties of the Panel's decision which will be binding upon the Council, the Governing Body and the parents.

An appeal by parents against refusal of a place at a Community or Voluntary Controlled School must be emailed to [democraticservices@cardiffshire.gov.uk](mailto:democraticservices@cardiffshire.gov.uk) or submitted in writing to Democratic Services, Chief Executive's Department, County Hall, Carmarthen, SA31 1JP.

### Medical Condition

Where Medical Evidence is required you will need to provide copies of reports relating to the diagnosis from the relevant Consultant and/or Specialist.

Voluntary Aided Schools will have their own arrangements for appeals to be heard independently.
